

X4M
QUAD CORE
4" SMARTPHONE

Dual cameras for instant fun

When you aren't using the X4M for your tasks, you can have fun taking photos and selfies with the built-in cameras. The 5MP camera with flash is excellent for capturing all your special moments. The 2MP front-facing camera lets you take cool selfies you can share with all your friends.

Fully Protected

Use your LOGIC X4M all day, every day and keep it looking new with the silicone case and screen protector included **free**.

The silicone case is custom molded to maintain the sleek, slim look of the X4M while the screen protector keeps your display free of nicks and scratches.
