## **Product Structure Drawing**

LCD DISPLAY

**Power On/Off button:** Press the power on/off button, then you will see the LED indicators on.

**Digital display:** The “IN” on digital display will keep flashing when charging. This device will automatically power off when not in use.

**Tip:** Please charge this device when the last indicator starts flashing. This device has safety protection that prevents the battery from damages when overcharging.

### Charging instruction:

**Note:** Use only the charging cable included with your phone for best results. Using other accessories may void your warranty and may cause damage.

**Caution:** If there is no response when touching the power on/off button, please charge the device immediately.

**Important:** Please turn on the power before charging other devices.

Please charge the device at least one time in 3 months if it is not in use to avoid the potential damage of battery cells in the power bank.

Please contact your local recycling center for proper way to discard your used device in accordance with local regulations.

**Warning:**

**DO NOT throw the power bank into the fire.**

**DO NOT disassemble, open, crush, bend, deform, puncture, shred, or submerge the power bank.**

**DO NOT attempt to dry up this device with any appliance or heat sources, such as hair dryer or microwave oven.**

**Children should be supervised when using this device.**

**Avoid dropping this portable power bank, especially on hard surfaces.**

---

**Warranty Certificate  
Terms and Conditions**

LOGIC warrants that their Products will be free from defects in material and workmanship. The warranty period is one (1) year for the products and three (3) months for the accessories, which are part of the original package, including the battery. The warranty period begins the date of purchase by the End-User who shall present an invoice or a purchase receipt when requiring warranty service, otherwise the warranty period will begin from the date of manufacture of the product. LOGIC will repair a product, without cost to the Customer, if it presents a manufacturing defect or defect in workmanship during the warranty period and if the defect occurred under normal conditions of use in accordance with the instructions and specifications stated in the User's manual.

For additional information about the terms and conditions of LOGIC's Limited Warranty or to obtain warranty service information, please visit the support section at: [logicmobility.com](http://logicmobility.com).

**Certificado de Garantía  
Términos y Condiciones**

LOGIC garantiza que sus productos estarán libres de defectos de materia prima y ensamblaje. El período de garantía es de un (1) año para los productos y de tres (3) meses para los accesorios que forman parte del paquete original incluyendo la batería. El usuario final deberá presentar una factura o un recibo de compra cuando exija el servicio de garantía, de lo contrario el período de garantía comenzará a partir de la fecha de fabricación del producto. LOGIC reparará un producto, sin costo para el Cliente, si presenta un defecto de fabricación o un defecto de ensamble durante el período de garantía, y si el defecto se produjo en condiciones normales de uso de acuerdo con las instrucciones y especificaciones indicadas en el manual del usuario.

Para más detalles de la Garantía Limitada de LOGIC y para obtener información del servicio de garantía, por favor visite la sección de soporte en nuestro sitio web: [logicmobility.com](http://logicmobility.com)
